

STRICTLY PRIVATE, CONFIDENTIAL AND LEGAL DISCLAIMER

Confidentiality Notice & Restricted Distribution

This document, along with any accompanying materials, presentations, data, models, and all other information transmitted in any form, whether oral, written, or electronic (collectively, the “Materials”), constitutes highly confidential and proprietary intellectual property of Xenosystems, its affiliates, successors, assigns, and related entities (collectively, the “Issuer”). The Materials are furnished solely for the limited, internal review and consideration of the designated recipient (the “Recipient”) to whom the Issuer has directly provided them. The receipt of these Materials establishes a fiduciary relationship of trust and confidence between the Recipient and the Issuer. By accepting possession of these Materials, the Recipient explicitly agrees and covenants to maintain their absolute confidentiality and to use them solely for the purpose of internal evaluation and discussion with the Issuer, and for no other purpose whatsoever. The Recipient is strictly forbidden from duplicating, photocopying, reproducing, re-transmitting, distributing, publishing, broadcasting, circulating, or otherwise disseminating the Materials, in whole or in part, by any means or in any format, to any individual, entity, or third party, including but not limited to other funds, investment vehicles, family offices, employees, agents, or consultants, without the prior express written consent of the Issuer, which may be withheld in its sole and absolute discretion. Any unauthorized act of disclosure, dissemination, or distribution shall be deemed a material breach of this agreement and may violate national, federal, and state securities laws, copyright laws, trade secret statutes, and other civil and criminal laws. In the event of such a breach, the Issuer shall be entitled to seek all remedies available at law and in equity, including immediate injunctive relief to prevent or halt such disclosure, as well as to recover substantial monetary damages from the Recipient and any involved parties. If you are not the intended Recipient, or if you have received these Materials through any unauthorized channel, you are hereby notified that any review, dissemination, distribution, or copying of these Materials is strictly prohibited and you are obligated to (i) immediately notify the Issuer via email at [meet@xenosystems.xyz], (ii) permanently erase, delete, and destroy all electronic and physical copies of the Materials in your possession or control, and (iii) confirm in writing to the Issuer that you have complied with these obligations.

No Offer or Solicitation

THE MATERIALS ARE PROVIDED FOR INFORMATIONAL AND DISCUSSION PURPOSES ONLY AND ARE EXPLICITLY NOT INTENDED TO CONSTITUTE, AND SHALL NOT BE CONSTRUED AS, AN OFFER TO SELL, OR A SOLICITATION OF AN OFFER TO BUY, ANY SECURITIES, DEBT INSTRUMENTS, DERIVATIVES, DIGITAL ASSETS, TOKENS (INCLUDING BUT NOT LIMITED TO ANY CONCEPTUAL ASSETS SUCH AS \$XENO OR \$STXENO), OR ANY OTHER FORM OF FINANCIAL INSTRUMENT OR INVESTMENT PRODUCT IN ANY JURISDICTION WORLDWIDE. No such offer or solicitation will be made in any jurisdiction in which it would be unlawful to do so. Any potential future offering, if it occurs at all, will be made exclusively pursuant to a definitive confidential private placement memorandum, offering circular, or other equivalent offering document (the “Definitive Documents”) prepared and disseminated by the Issuer. The

Definitive Documents would contain material information not present in these Materials, including comprehensive risk factors, detailed specifications, and full legal and regulatory disclosures. Any terms, conditions, or descriptions mentioned herein are subject to material change at the sole discretion of the Issuer and are qualified in their entirety by the Definitive Documents. Any decision to invest must be based solely upon the information contained in such Definitive Documents, and no person is authorized to provide any information or make any representations other than those contained therein.

No Financial, Investment, Legal, or Tax Advice

THE MATERIALS PRESENT HIGHLY THEORETICAL, PHILOSOPHICAL, AND CONCEPTUAL IDEAS PERTAINING TO MONETARY THEORY, SOVEREIGNTY, POLITICAL THEOLOGY, ANTHROPOLOGY, AND THE DESIGN OF DISTRIBUTED SYSTEMS. THEY ARE PROVIDED AS AN ACADEMIC AND INTELLECTUAL EXERCISE AND MUST NOT BE INTERPRETED AS FINANCIAL, INVESTMENT, LEGAL, OR TAX ADVICE OF ANY KIND. Nothing within these Materials should be relied upon as a recommendation, guide, or suggestion for making any specific investment, strategic business decision, or legal structuring choice. The Issuer is not, and does not hold itself out as, a registered investment adviser, broker-dealer, legal counsel, or tax advisor under the laws of any jurisdiction. The Recipient is expressly warned that they must not construe any of the contents of these Materials as a recommendation to buy, sell, or hold any asset or to engage in any specific investment strategy. The Recipient is strongly urged to consult with their own qualified professional advisors, including independent legal counsel, tax specialists, and financial advisors, regarding any potential economic, legal, or tax implications that may arise from consideration of the concepts discussed. The theories presented, including critiques of Modern Monetary Theory, Marxism, and Modern Portfolio Theory, are speculative and constitute forward-looking statements that involve significant, unquantifiable risks and unproven assumptions.

High Degree of Risk and Forward-Looking Statements

THE MATERIALS CONTAIN NUMEROUS "FORWARD-LOOKING STATEMENTS" CONCERNING THE ISSUER'S POTENTIAL PLANS, OBJECTIVES, EXPECTATIONS, AND INTENTIONS FOR A THEORIZED SYSTEM. These statements are based on current beliefs, assumptions, expectations, estimates, and projections and are inherently subject to significant business, economic, competitive, regulatory, and operational uncertainties and contingencies, many of which are beyond the Issuer's control. Actual results, performance, or achievements could differ materially and adversely from those expressed or implied in such statements. The development and deployment of any system based on these concepts face immense risks, including, but not limited to: (i) failure of technological development or inability to achieve purported technical specifications; (ii) regulatory crackdowns, bans, or hostile treatment by governmental authorities worldwide; (iii) a complete lack of market adoption or network effect; (iv) intense competition from established and emerging systems; (v) catastrophic security vulnerabilities, including smart contract exploits, consensus failures, or cyber-attacks; (vi) insolvency of the Issuer or its key partners; and (vii) profound legal and tax uncertainties. THERE IS A VERY SUBSTANTIAL PROBABILITY THAT ANY PROJECT UNDERTAKEN PURSUANT TO THESE CONCEPTS WILL FAIL COMPLETELY, RESULTING IN THE TOTAL AND IRREVOCABLE LOSS OF ANY CAPITAL, ASSETS, OR

OTHER RESOURCES COMMITTED BY ANY PARTY. The Recipient should be financially and psychologically prepared to bear a 100% loss of any such committed resources.

No Waiver

No failure or delay by the Issuer in exercising any right, power, or privilege under this disclaimer shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power, or privilege preclude any other or further exercise thereof or the exercise of any other right, power, or privilege. The rights and remedies provided herein are cumulative and not exclusive of any rights or remedies provided by law.

ACKNOWLEDGEMENT AND ACCEPTANCE

BY ACCESSING, READING, REVIEWING, OR RETAINING A COPY OF THESE MATERIALS, THE RECIPIENT EXPLICITLY ACKNOWLEDGES, UNDERSTANDS, AND IRREVOCABLY AGREES TO BE BOUND BY ALL OF THE TERMS, CONDITIONS, AND OBLIGATIONS SET FORTH IN THIS CONFIDENTIALITY AND LEGAL DISCLAIMER IN THEIR ENTIRETY. THE RECIPIENT FURTHER CONFIRMS THAT THEY HAVE THE AUTHORITY TO ENTER INTO THIS AGREEMENT.
